

A Shared Life

Love and Encouragement

1. What factors influence how and if you serve someone at High Point?
2. When is the last time you checked in on someone from High Point that you have not seen in a while?

One of the best ways you can encourage a preacher or teacher is to send them an encouraging note with these ingredients:

- This is what you said that impacted me.
 - Here is how I applied it to my life.
 - This is what happened.
3. Take a minute and think about something that you were taught at High Point and see if you can work through the model above.
 4. What person comes to mind when you consider the question: who should I do a better job encouraging?

Sanctify and Be Accountable to One Another

1. This is a personal reflection question. Who is growing in holiness because of their association with you?
2. Can you give an example of how you allowed someone at High Point to correct you?

Peace and Prayer

Prayer Requests for the staff pastors at High Point:

Nic Gibson

- For continual growth in godliness
- Right prioritization of time in his roles as husband, father, pastor, community leader, etc.
- Protection from spiritual attack on him and his family

Lloyd Biddle

- May the Lord help me to grow in spiritual maturity
- May I grow in skill and influence as a parent of adult children
- May High Point upcoming plans to better shepherd the whole flock more effectively succeed.
- Continued freedom from depression.

Also please pray for Mike Beresford related to his chronic pain in his back and the success of his chaplaincy work at the State Capitol.
